

## School Newsletter: May 2017

### Naphill Village Fete (10th June 2017)

Every year the village holds its summer fete and some of our children are chosen to be the Fete Princes and Princesses. Here are this year's 'Royalty'.

Tom Farrell

I want to be a Prince for the day so that I can stop my brother bragging that he was one two years ago. My hobbies include playing football, running and playing FIFA on my Xbox. When I am older I would like to be a professional footballer. My favourite animal is a penguin and in my free time I like to play football. I'm football mad!

Samuel Ayres

I would like to be the Fete Prince for the day because it would be lots of fun to wave like royalty from an open top car. I'm like most boys my age and enjoy playing football and on my Xbox in my spare time. My favourite animal is a squid and when I'm older I want to be a gold medal winner for running in the Olympics. When I'm not playing football, I like running around in the fresh air.

Florence Morgan

I'd like to be a princess for the day to create a wonderful memory for when I'm older. In the future I would like to work as a scientist – probably a chemist. In my free time I enjoy playing the flute and felting. My favourite animal is a meerkat and my hobbies include drama, singing and dancing.

Eva Sandy

I like the idea of driving around the village in a fancy car for the day so I put my name forward to be a Fete Princess. I'll be the first Princess in my family. When I'm older I'd like to be an architect and in my free time I like gaming, singing, reading and learning French. My favourite animal is a Koala.

**SATs** –Year 6 are taking their SATs this week. Year 2 will take theirs over the next couple of weeks so that they are completed by half term.

**Sports News** –Our budding Andy Murrays have been showing off their tennis skills at the school liaison tennis events. Year 2 are off to a football tournament on the 16th May. Year 6 (and some Yr5s) played a couple of tough league games recently and nearly pulled off a stunning comeback; from 5-0 down to 5-3.

**Upcoming trips** -Year 4 head off to Woodrow this week for three days (and two nights!). Reception will go to Whipsnade, Year 5 are going to Longridge, Year 2 are off to Warwick Castle and Year 3 will be visiting the Living Rain Forest and Year 4 are off to the Verulamium Museum too! So a busy time ahead for everyone.

## Bits 'n' Pieces

### **Request from Reception**

If you are throwing out any toys, bikes or scooters that our Reception children could use please let the Reception staff know; we will gladly make use of them.

Blue, grey or black tracksuit/jogging bottoms for children aged 4-6 years are also needed in Reception. They are really useful when accidents (of various nature) occur!

### **Parking**

Keeping this short and sweet - please avoid parking in residents spaces and on top of the zebra crossing.

### **Leaving**

This is always a very busy time for us (and you) with many imminent postings and moves. If you know that you are going at the end of this term please could you let us know so we can take this into account when looking at classes for next year. It also helps us when we are speaking to parents who are moving in to the area; it is quicker for us to sort admissions than county!

### **Parent Questionnaires**

Thank you to all of you who completed the online parent questionnaire. I will be using the responses to inform the Governors as to what your views on the school are. Any areas for development I include in the School Development Plan for next year.

### **WANSA Events**

The discos last Friday were a big success. Thank you to WANSA for organising them and to those of you who volunteered and helped out.

The response for the panto trip has been good. We have had a number of parents ask if the payment can come in later on as it clashed with other things and that is absolutely fine.

Keep an eye out for news about the Summer Fayre.
