April 2020

Dear Parents/Carers

I am writing to inform you that even whilst most of your children are not in school we still take Child Protection and safeguarding extremely seriously.

Our policies and processes for dealing with any incidents remain in place and we are in contact with First Response and Social Services when needed.

If you have any concerns particularly around safety during this time then please contact the school as before. The office email is checked regularly and any concerns will be dealt with promptly.

I appreciate that social media is a great source of information, support and contact for many people but there are as ever, those people who use it inappropriately. All those steps that you took previously to keep your child safe still need to be in place; if you are looking for advice then CEOPs and the NSPCC have very useful links to follow.

If you have any queries or concerns then please contact the school office. A Designated Safeguarding Lead, Mrs Lavender, Mrs Chick, Mrs Collett or myself are always contactable.

Kind regards

Miss Gwynn
