Service Families Newsletter – Summer Term

Welcome to the last Service Families Newsletter of this school year! The aim of this newsletter is to make sure you are aware of some of the resources available online, in school and through the RAF High Wycombe HIVE to support children with a parent on deployment and also during times of transition.

It has been a busy summer term with lots of our Service families moving on to pastures new. For those of you moving over the summer break, I wish you lots of luck on your new adventures. It would be lovely to hear from you via letter, e-mail or a postcard once you have settled in to your new homes and schools.

We have several families in school where a parent is currently deployed and I know a few of you will be being deployed over the summer. Please make sure that you have made us aware of any deployments either through myself, your child's class teacher or the school office. We can then make sure your child is supported where necessary. Children are given the opportunity to send letters, pictures and e-mails to their deployed parent so please pass details of e-mail and BFPO addresses on to us also. For those of you deployed over the summer, I send my best wishes for your tour.

Tracey Clark is the HIVE Information Officer at RAF High Wycombe, (the HIVE is located in the building on the left as you enter 3 site). Tracey has access to several deployment based resources such as colour-in pillow cases, memory jars and vouchers for huggable heroes. Tracey and her team can also offer support to Service families during times of need and are also responsible for organising deployed activities. Tracey can be contacted on 01494 497831.

The RAF High Wycombe Youth Club are organising various activities over the summer break, please contact the HIVE for more information.

Wishing you all a very happy summer break.

Kind Regards,

Julie Spinks, Family Liaison Officer.

If you would like any resources to support your child whilst a parent is on deployment, please get in touch with either myself (via the school office) or Tracey Clark at the HIVE.
