Learning task	<p>Read for pleasure! Listen to Greek Myths https://www.bbc.co.uk/teach/school-radio/ks2-ancient-greece/zk73nrd Try the following titles: https://www.booksfortopics.com/ancient-greece</p>	<p>https://www.hamilton-trust.org.uk/blog/learning-home-packs/ These daily lessons (English) help you revise and learn grammar and vocabulary. They are varied and interesting but not linked to our Greek topic. See below for ideas on developing your Greek topic in English.</p>	<p>Access MyMaths and complete the activities. Practise times tables regularly using online games. Try this link for daily lessons linked to our Maths Hub scheme https://whiterosemaths.com/homelearning/ Start at week 1 to make sure you don't have any gaps!</p>	<p>Life cycles: https://www.bbc.co.uk/teach/class-clips-video/the-life-cycles-of-different-organisms/zvh8qp3 Note the key vocabulary and facts of each process and record on a spider map. Note similarities or differences. Create a free Eplorify account-use the Zoom In Zoom Out for starters then explore wherever your interest takes you! https://explorify.welcome.ac.uk</p>	<p>RE: Understand Pillar 5 – Hajj – Pilgrimage watch https://www.bbc.co.uk/newsround/24566691 Imagine you have been on Hajj and write a diary of your travels MFL: https://basilbatrakhos.com/ solve the mystery and learn Ancient Greek. There is a book which can be printed or read online (it is large). History: www.ancientgreece.co.uk requires flash for some parts. Suggestion: Make a Greek Pot using paper mache or paint one https://artlessonsforkids.me/2011/04/24/papier-mache-greek-vases-in-grade-seven/</p>
Written task	<p>See the attached ppt about writing, costuming and staging your own Greek Tragedy. Remember to take photos of your production or even get someone to record your play. The instructions talk you through this project step by step. NB. This comes from a free online copy of Aquila Magazine. Take a look at the rest of the magazine here https://view.joomag.com/aquila-childrens-magazine-magnificentmegamag-92pages/0684174001584550709?short it is amazing!</p>	<p>Keep a maths journal. In it, put down things you found tricky or that you got the hang of. Add in examples or 'how to' steps and then write some challenges for others to complete.</p>	<p>Choose either Sir David Attenborough or Jane Goodall to research. Create a biography style fact file to go into a scrap book. https://www.activityvillage.co.uk/david-attenborough https://www.janegoodall.org/our-story/about-jane/</p>	<p>Geography: Map work revision https://www.rgs.org/schools/teaching-resources/subject-knowledge-animation-map-skills/</p>	

*keep going with your 100 words and ask an adult to test. If smashing your PB then create a silly sentence book with the 100 words as the focus.

Design a mini-display for your bedroom on decimals. Make it informative and interactive so your family members can have a go.

Revision

Online revision lesson:

For worksheets with answers:
https://www.numeracyninjas.org/?page_id=165

Choose a wildlife patch in your garden or somewhere on your daily walk that you can study 2 or 3 times a week. Look closely for signs of life cycles and choose either a seedling or an insect, bird or amphibian. Make notes, measurements, sketches or photos of your chosen subject and record in the scrap book.

Create a map of one of your walks using correct map features such as a key and a grid reference.

Fun map game:
