

Mrs Turner

Mrs Clarke

Welcome to Year 6!

Mrs Collett

Mrs Clarke

It's been a bit of a funny few months for everybody but I'm looking forward to seeing you all in September. I'm sure you're going to be great Year Sixes.

All about me:

- I love anything to do with Disney and Harry Potter
- My favourite animal is a koala – I think they're very cute
- My favourite lesson to teach is Maths even though I hated it at school.
- I absolutely love reading – I could easily spend all day doing it!

Mrs Collett and Mrs Turner

Mrs Collett – I will be teaching you on Thursday and Friday every week and I'm really looking forward to getting to know all of you.

My favourite subject to teach is writing. I love writing stories and helping children to become confident and creative writers.

I have two grown up children who both came to our school when they were younger. I also have two cats – Ted and Chester.

Mrs Turner – I can't wait to meet you all! I will be teaching you every Monday, Tuesday and Wednesday.

A few little bits about me:

- I love art and I enjoy painting pictures of landscapes and nature
- I have a little boy called Zachary who was 1 in February and I also have a pet tortoise called Odin
- I really enjoy listening to music and love going to see live bands play when I get the time

What is our First Topic?

A Child's War

- WWII - life in Britain for children during the war
- Modern day children of war

WWII day

At the end of our topic, we will celebrate our learning with a day of WWII themed activities and a street party in the hall to finish off

What else will we learn?

- PE – in September, you will come to school in your PE kit on your PE day
- How to perform ready for the end of year production
- Fun and interesting learning in Maths, Science, Music, German, PSHE, Art, RE, Design and Technology and ICT
- Spring Topic – Extreme Earth
- Summer Topic – The Vikings

As it stands, the 11+ exam will be taking place during the week after the October half-term holiday, but this may be subject to change.

Once we know more about the arrangements for the Year 6 SATs 2021, we will let you know and there will be a parents meeting

What can I expect when I first come back to school?

- Getting to know each other
- Understanding the new routines around the school
- Familiarisation with Year 6 expectations
- Lessons designed to re-introduce you to formal learning again
- We will need to do some testing to find out how we can help you to learn, but these will not be done in the first two weeks

What will I need?

- **A positive, 'can do' attitude!**
- A pencil case (a list will be sent home with what you will need)
- A water bottle (named too please)
- A break-time snack (fruit or veg)
- Hand sanitiser

Will there be homework?

- Reading as often as possible - at least 3x a week
- Maths once a week
- SPAG once a week
- Spellings once a week and 100 spellings each half term

Summer Task

Your task over the holidays is to choose a book that you have not read before. It can be any genre/style – whatever takes your fancy!

Review the book in any way that you want to – think creatively. You might want to create an advert for it, a poster, a leaflet, a new cover and a blurb on the back, a newspaper review etc.

We would like to make a display of all your beautiful work in September.

Use it as a chance to show us how creative and hard working you are – show us what you can do. It is your first opportunity to impress us!

We cannot wait to
meet you!
