HISTORY:

Over the next 3 weeks, please create a piece of work for a World War II display in school. This could be anything of your choosing but must be display quality. You can choose any aspect of the War that would be appropriate for a display in the KS2 area: The Blitz, Evacuees, Rationing, Causes, Battles, Government, The Land Army, The RAF/Army involvement etc.

Your work could be in the form of a poster, a fact file, artwork, a newspaper article, a story, a cartoon strip. Whatever you choose, you must think about how it will look on a wall and whether it can be easily read/seen by those viewing it.
