### VE Day Celebration 2025 – Whole School Homework

Dear Parents and Carers,

This year we mark 80 years since the end of the second World War, with victory in Europe (VE) day on 8<sup>th</sup> May 2025. To celebrate this, we would like to create a display in the hall (ready for VE day) and so are asking children in the school to produce something at home to contribute if they wish to do so. This is voluntary, but when we have done this in the past, so many took part that the hall has looked spectacular!

Children could make posters, bunting, models, collages, or write letters, poems, diaries or stories, and can be as creative as they like.

Their work can be:

- painted
- drawn
- made on the computer
- made out of paper
- modelled
- stitched
- 3D models or any other medium they choose

It could be a decorated poem or a diary entry for those who prefer to write. Work can be any size and any shape, but **must be of display quality – carefully and neatly produced**. We would like this homework to be carried out over the Easter holidays and work can be handed in from Tuesday 22<sup>nd</sup> April - some of the work will be shown in assemblies leading up to VE day for inspiration to others. Deadline for work to come in is Wednesday 30<sup>th</sup> April 2025.

Work will be displayed in the hall and we would love for parents to come and see this after school on Thursday 8<sup>th</sup> May until 4:00pm and from 8:00am – 8:40am on Friday 9<sup>th</sup> May.

Many thanks

Jo Lavender
