

Year 1/2 Homework

Date: Friday 14th November

READING:

The school's expectation is that children will read with an adult at least three times a week however, in Key Stage One 'little and often' is the key to success and daily reading is preferable to develop fluency and confidence. Please sign reading diaries each time you listen to your child read. Thank you to all parents leaving a helpful comment or message regarding on your child's efforts.

The reading diaries and reading books **must** be in school every day. The diaries will be checked every day by the class teacher.

Book changing days are Monday, Wednesday, and Friday.

MATHS:

Numbots - Your child's log in can be found in their reading diary. Please log in and complete at least 20 minutes of real time (not the times logged by Numbots itself, we have been made aware that the game itself logs time played slightly differently).

Please note that we can see who has logged into this, so please ensure that your child completes this homework. We are not checking length of time spent although we can monitor progress through the levels.

PHONICS:

Please practise reading and spelling the words for your child's phonics group. This can be done as formally or creative as you like - make it work for your child.

For example - you can make flashcards for the words or use post-it notes. You can write using pens, paint, in sand or mud with a stick.
