

Naphill and Walters Ash School

PE Premium 2023/24

Key achievements to date: July 2024	Areas for further improvement and baseline evidence of need:
Top up swimming in place for whole of summer term. More children in Yr4/5/6 received top up swimming this year.	Impact of SOW as moving to mixed aged classes through the school.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? July 2024 <b>N.B.</b> Even though your children may swim in another year please report on their attainment on leaving primary school.	94%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? July 2024	94%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations? July 2024	94%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes we will use it again next year, we have used it every year.

Academic Year: 2023/24	Total fund allocated: £19,000 –	Date Updated:		
School focus with clarity on intended <b>impact on pupils:</b> <i>offer a broader and more equal experience of a range of sports and physical activities to all pupils</i>	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
<p>Ensuring all pupils at some point in KS2 experience and participate in OAA. Often have pupils who do not attend this trip or Yr 6 residential. Give all children the opportunity to broaden their knowledge of sports and activities.</p>	<p>School to fund Longridge trip in Yr 5. This will ensure all children have the experience of water based OAA.</p>	<p>£3,000</p>	<p>Yr 5 went to Willen Lakes for a whole day of water based activities. As most of the children attended (1 child absent through illness, one absent) all have now experienced such activities. This will mean anyone not going to the Yr6 residential have had experience.</p>	<p>Trip for Yr 5 arranged for next year.</p>
<p>School focus with clarity on intended <b>impact on pupils:</b> continue to improve staff knowledge and further embed curriculum understanding and ensure all children can access the curriculum.</p>	<p>Actions to achieve: Renew subscription to Getset4Pe Ensure resources to teach range of sports in place so all children can fully participate in all lessons. Purchase OAA resources so when taught in school wider opportunities can be given. E.g. orienteering markers.</p>	<p>Funding allocated: £3000</p>	<p>Evidence and impact: Subscription renewed. Second year of the SOW being used. Staff more familiar with units of work and Yr 5 completed more units as not done Energise. The two year cycle will become more applicable as moving to mixed aged classes. School did look at a OAA scheme but with existing units in Getset4PE and trips in KS2 to Woodrow, Willen lakes and Rhos it was felt a SOW not</p>	<p>Sustainability and suggested next steps: SOW renewed – will need to work on establishing clear knowledge points.</p>

			needed.	
<p>School focus with clarity on intended <b>impact on pupils:</b><i>Schools can also use the PE and sport premium to raise attainment in primary school swimming and water safety by funding top-up swimming sessions for those pupils that do not meet national curriculum requirements after they've completed core swimming lessons.</i></p> <p>To ensure children are able to swim 25m and where possible meet other NC requirements by time they leave us.</p>	<p>Actions to achieve:</p> <p>Assess children after core swimming then use top up funding to ensure as many as possible meet all national requirements in Yr4.</p> <p>Take Yr 5 and 6 children identified through school records for a term of extra swimming lessons with aim that most complete at least 2/3 of national requirements.</p> <p>Top up swimming for Yr 4 and then Yr5/6.</p> <p>Use previous assessments to target identified children.</p>	<p>Funding allocated: £5,000</p>	<p>Evidence and impact:</p> <p><i>As we have had a whole term of top up swimming all bar 3 children in Yr 6 have met the NC requirements. The vast majority of children in yr 5 and 4 have also done so.</i></p>	<p>Sustainability and suggested next steps:</p> <p><i>Will ensure as many of the children in 3/4 next year reach the required level so not needing it in Yr 5/6.</i></p>
<p>School focus with clarity on intended <b>impact on pupils:</b> <i>increase participation in competitive spots; equal access for girls and boys</i></p>	<p>Actions to achieve:</p>	<p>Funding allocated: £6,000</p>	<p>Evidence and impact:</p> <p><i>The Girls football team won their league and having their own kit did mean a lot to them.</i></p>	<p>Sustainability and suggested next steps:</p> <p><i>Use funding to cover the cost of trips to keep OAA sessions to ensure as many pupils as possible go.</i></p>
<p>By allowing as many pupils as possible to compete in inter school events it ensures they experience competitive sports.</p> <p>The school wants to provide a full range of OAA activities in KS2 for all pupils. Cost of trips/residential does prohibit some families from going so</p>	<p>Fund transport to;</p> <p>Dance show</p> <p>Cross country</p> <p>School to fund Longridge (as above)</p> <p>Woodrow and Rhos – coach costs</p> <p>Girls football kit – ensure the team has their own kit and their team is valued</p>		<p>Funding transport and subsidising trips to events and OOA activities has enabled far more of the children to go as parents have not had to pay full price. This means all the children who have gone have had the full extent of the NC and experienced learning that we at school could not provide.</p>	<p>Transport to key events again ensures we can attend such events.</p>

the school can contribute to these ensuring cost is not inhibitive.	Supply costs if needed		New basketball posts bought so extra playground equipment available to encourage active play at breaktimes. Hall equipment had to be fixed so that children could take part as a class in gym lessons.	
<b>Academic Year: 23/24</b>	Actual spend £17,000
